REVIEW: JACKIE SACCOCCIO: 'DEGREE OF TILT'

Through Sunday at Eleven Rivington, 195 Chrystie Street, (212)982-1930, 11rgallery.com

Through next Friday at Van Doren Waxter, 23 East 73rd Street, (212)445-0444, vandorenwaxter.com

By Roberta Smith

With sharp, inventive color combinations and a technique that involves more than you initially realize, this artist belongs to a generation that is finding new ways to explore the convention of all-over abstract painting. Alternately diaphanous and concrete, parts of her intricate compositions involve weaving together thin pours of paint while tilting the canvas at different angles. Hence the title of this show, which has an uptown component.
