RUNNING FOR COVER

We're easily flattered. When we saw the Basel Miami-timed collaboration of the New Art Dealer's Alliance, the New Museum and Banana Republic — a clever tote bag emblazoned with Chris Caccamises iconic *I Need Money*, 2007 — we immediately thought of how the work graced our most recent Investment issue cover, back in August. Let the record show: That's one need we saw coming long before the markets tumbled and purses started snapping shut.
